

Dear Faithful Supporter,

March 2017

Although we have a tropical climate here in St. Lucia, we know that some of you are coming out of a long, cold winter and are approaching the new season of spring, which reminds us of new life and new beginnings. This past month we had an exciting new beginning... a new ministry!

It has been our desire to be able to work with a school here in St. Lucia. We have prayed for many months concerning which school the Lord wanted us to work with but never really got a clear answer until a couple of weeks ago. God opened the door to a school very close to us: a Special Education School. What a blessing!! We started this month working with 20-30 boys from the ages of 12-19! Please pray for this new ministry that we will see these special boys come to know the Lord as their Saviour and will be able to teach them to walk in the way of the Lord! We will be teaching a devotional each week and then play a game that

also teaches some "educational therapy." Also, pray about expanding that ministry to be opened for my wife to be able to teach some of the girls in the future.

Once again we also want to praise the Lord for more salvations. Last month my wife was able to lead a young lady to the Lord. Her name is Rina. We are thankful for the young people that get saved. Please pray for her that she will see the importance of living for the Lord.

One more blessing is that of Ronald's salvation! He received Christ as his Saviour and has been faithful to each Sunday service. Please pray that Ronald will be a great testimony to this town of Dennery and that God will use him in a mighty way.

We want to express our thanks to all of you who are so special to us. We are overwhelmed with gratefulness for your faithfulness and for the numerous ways that you invest in our ministry! We wish to give a special thank you to my father, Merl Bartley, and his church Carriage Country Baptist Church for sending barrels full of food and supplies for us and for the people of St. Lucia. What a blessing it was to be able to help some of the folks here that were in need. Thank you for your servant's heart and giving spirit.

We know that many of our supporting friends and family are going through difficult times of sickness, disappointment, and uncertainty. Without the stability of our Lord God, we would undoubtedly not be able to stay faithful during these times of great pressure. Please be encouraged and know that we do pray for each of our supporting churches, individuals, and friends.

We are looking forward to a wonderful spring and summer at Whosoever Baptist Church.

Finally, as we ponder the blessings of spring, it's important to remember that all good things come from God. He is the Source of our blessings in all seasons!!!

God bless you for your faithfulness!
