

# DR. RICHARD & LEAH JACOB CHURCH PLANTING IN AMERICA

That all the people of the earth may know that the Lord is God, and that there is none else. — 1 Kings 8:60

*Dear Pastor and Church Family,*

*Greetings from the Jacob family. We are so grateful for your consistent prayers and support. We have prayed for you and your ministry specifically many times this past month.*

*This past week I covered 3000 miles on the road, in 5 states, in two mission's conferences and 2 meetings. It is amazing to see how God is working. The trip was very exhausting but God did amazing things. I feel like the apostle Paul, sometimes traveling alone and sometimes with the family. Alone times are good for prayer, and great for meditating on the Word of God. I got to visit a church in Darlington, SC. The pastor put me up in a motel where a black man named Jonathan worked. As he checked me into my room, I got to speak to him about the Lord. I told him the most important decision he would ever make, would be concerning his salvation. I also asked him, "Jonathan, where would spend eternity, if you died tonight?" I told him not to hesitate to call me if he needed any help concerning his salvation. After an hour, the telephone rang (in my motel room) and it was Jonathan on the line. He asked me for my phone number and if he could talk to me about the Lord. I told him he could call me anytime. I am praying God would help me lead him to the Lord Jesus Christ. Please pray for his salvation.*

*Our oldest son Gideon is a senior at the Crown College of the Bible. He works a part-time job at Toyota. He has been Sharing the gospel with his co-workers. One of them is a Muslim girl. On Wednesday the 22<sup>nd</sup>, he was able to sit down and explain the whole gospel to her. She said it all makes sense. She is on the verge of getting saved. Please pray for her salvation. As we travel, the Lord has provided us so many opportunities to share the gospel with people we have never met before. We have tried consciously to give out gospel tracks and witness to people God brings our way. Praying that many of them will be saved. The Bible affirms the Word of God will never return void. Thank you for love for our family. We are so grateful that you take the time to pray for us. We want to be diligent and work hard. We want God to bless us with much fruit to your account.*

*Our daughter Emerald, fell and hit the back of her head, while sumo wrestling. She lost peripheral vision, felt nauseated and had a terrible headache. We took her to the ER. They did a CT scan and said she has a concussion. Please pray for her. Thanks again for your prayers and support. God bless.*

*With grateful hearts and prayers,*

*The Jacobs family*
