

# The Burns Family to Quebec Canada

On December 20, we travelled to New Brunswick and enjoyed spending Christmas with family and friends. On January 1, we began our short furlough schedule of meetings in churches in New Brunswick and Nova Scotia. Some of these churches already support our ministry, and we were thrilled to share a personal update on the ministry here in Quebec. We also visited a few new churches to present our ministry for the first time. We thoroughly enjoyed reconnecting with many good friends that we had not seen for 5-6 years, and even meeting some new faces along the way! During the month of

January, we travelled 5,997 kilometres, and completed all 16 meetings that had been scheduled. In addition, Wes had the opportunity to speak at a men's breakfast at a church in Nova Scotia. We praise the Lord for His protection in the unpredictable winter driving conditions.

Once we arrived back home on February 1, we began earnest preparations for the airplane's annual inspection. Terry Rushing with Wings as Eagles, along with a colleague of his, Dave Borlee, came to help with the inspection. Benjamin (Pastor Roy's son from near Quebec City) also came to lend a hand. During the inspection, we all stayed at a friend's cottage about 15 minutes from the airport. We were thankful for the Lord's provision throughout this time.

With the inspection now behind us, we are full steam ahead preparing for some Easter Gospel concert outreaches (similar to the outreaches before Christmas). Please pray for us as we plan for these events, and that God would prepare hearts to receive the message of salvation. We would like to present these Easter concerts in the same locations in which we presented the Christmas concerts: Kegaska, Natashquan, Aguanish, the hospital in Havre-Saint-Pierre, and the senior's home in Havre-Saint-Pierre. We would also like to try to get into one or two new locations. Please pray for open doors and for the Lord's direction in these outreaches.

We appreciate so much your faithful prayers and partnership in the ministry here in Quebec.

May God bless you all abundantly!
