CHURCH PLANTERS TO

CAMPBELLTON, NEW BRUNSWICK

Dear Praying Friends,

May 2017

Deputation Ministry Update

As I sit down to write this letter in a hotel room in Tahlequah, Oklahoma, I am reflecting on the goodness of God and His blessings over the past year and a half. We have just finished up a missions conference in Oklahoma with a precious Native American church. I had the privilege of being involved in an Indian Baptist Fellowship meeting. What a joy it was to meet men of God serving faithfully in the churches around the state of Oklahoma. The greatest blessing of deputation has been God allowing us to meet precious people of God who have encouraged us, taught us, and strengthened our faith. I believe God has given us very special churches to partner with us in reaching souls in Northern New Brunswick. We are continually challenged by people that demonstrate a true burden and love for church planting. **We are happy to report that we are now at 81% of our support.** We have also been granted an exit interview with BIMI in June. Please continue to pray for our full support to come in during the next two months.

House and Meeting Place

Please pray specifically for our housing situation. During this next month we will travel to the Campbellton area to search for a home. Please be in prayer that we would find the right place. Also be in prayer as we are actively searching for a place to begin meeting in the near future. We know God will supply the right place in His time.

In His Service,
