

DR. RICHARD & LEAH JACOB CHURCH PLANTING IN AMERICA

That all the people of the earth may know that the Lord is God, and that there is none else. — 1 Kings 8:60

June 1, 2017

Dear Pastor and church family,

We praise God for the past month. God is doing great things. We are blessed to be a part of it. In our last prayer letter we mentioned the need for Bibles in India. The Lord helped us provide Punjabi and Hindi Bibles for a pastor in Punjab. The Lord enabled us to complete the necessary transactions and the Bibles are now on their way to the local church. Many new believers Another answer to prayer.

Just received a call on Memorial day from a church in TN telling us, they are taking us on for support. We are thrilled to see God move and work. Our three children are now out of school. Gideon has 6 courses to complete to get his Bachelor's degree. He is studying to be a pastoral major. He has a burden for missions as well. He is trying to get his pilot's license this summer. Please pray for him. Emerald, has completed her 2-year associate's degree in business and is looking to pursue education. She has 2 more years to get her bachelors. Marcus completed his sophomore year in high school.

We have no complains. Some concerns to pray about are our cars. They have a lot of miles and they need constant attention. We had an alternator go bad this week. Two of our cars have bad transmissions which may fail anytime. We are praying and asking God to provide us some used cars with low miles or to keep our cars running for another year or so. God knows our needs and we just want to share them with you so you can pray with us. God has never failed us once. So, we have no need to worry or fret.

With summer approaching quickly, we realize you will be busy with Vacation Bible School and many other evangelistic programs. We will be in much prayer for God to save souls and do great things for you. We want to express our love and gratitude for your prayers, faithful support and kindness to us.

There is so much to praise the Lord for as we look back. The Lord has helped us to share the gospel with so many people in so many states. We are praying for a harvest of souls. We want to be used of the Lord to reach many people with the gospel. Thank you for your fellowship in the gospel.

With grateful hearts,

Dr. Richard Jacob
