

# THE BOHMAN FAMILY

## AFRICA FIELD DIRECTOR

May 2017

Dear Praying Friends,

Thank the Lord for another successful trip on the continent of Africa! As mentioned in the last prayer letter, I traveled to Uganda, Madagascar, and Kenya, and what an exciting trip it was! In Uganda, I helped conduct our annual field conference, which is a highlight of the year for those missionaries who labor faithfully in East Africa. It is always a great time to reconnect with everyone again and exchange ideas as well as resources. We also get to hear some challenging messages from the Word of God. This year, we had 22 missionary families and singles, plus several college students and a couple of stateside visitors!

In Madagascar, I visited two of our families there and helped prepare for the third family that will soon be arriving. The visit in Kenya was short but filled with joy as I was able to visit a good number of the men that I have helped to train and see how the Lord is blessing the ministries there. To His glory, there are now 34 organized churches, new church plants, and preaching points that the men are maintaining. Truly, your support and sacrifice through the years are gaining Heavenly dividends in eternity!

On the home front, we had something special take place this past month! Our third daughter, Heidi, graduated with honors from high school. We are so pleased with how the Lord is directing her. Please be in prayer for her as she plans to pursue a degree in Elementary Education in preparation for God's service.

Pray also for Candidate School the first of June - there are new missionaries heading to Africa! Amen!

Until all nations hear,
